PROFILE

Bachelor of Science in Information Technology student with academic experience in UI design, wireframing, prototyping, manual QA testing, and data analytics. Seeking an opportunity to apply design skills and academic knowledge to real-world IT projects while gaining practical experience. Eager to enhance creativity, problem-solving, and collaboration skills through continuous learning and professional development.

EDUCATION

Bachelor of Science in Information Technology 2023 - Present
Divine Word College of Calapan, Inc. I Calapan, Oriental Mindoro

PROJECT EXPERIENCE

UI/UX Designer | Academic Projects

- Designed user interface layouts and prototypes using Figma.
- Created wireframes to organize screen layouts and navigation.
- Applied usability and visual consistency principles to interface designs.
- Refined designs to improve clarity and user interactions.
- Collaborated with team members to align designs with project requirements.

SKILLS

- **Design**: UI Design (Figma); Wireframing & Prototyping
- **Software Testing:** Manual QA Testing
- **Data Analytics & Business Intelligence:** Power BI; Microsoft Excel

PROJECTS

FireTrace: Supplementary Geolocation-Based Fire Incident Reporting System 2026 - Present

- An undergraduate capstone project developing a geolocation-based fire incident reporting system that enables civilians to report fire incidents and helps BFP personnel monitor reports for efficient emergency response.
- Designed user interface layouts and prototypes, focusing on usability, navigation, and responsive web design.

BUHUAN: Online Barangay Service Management System for Barangay Buhuan September 2025

- Designed user interface layouts and prototypes for a web-based barangay service management system, focusing on usability, navigation, and efficient resident transactions.
- Assisted in testing system features to check functionality and support a smoother user experience for residents and authorized barangay personnel.

LICENSES & CERTIFICATIONS

- **Certified Data Science Associate (2026)** - East West Int'l. Educational Specialists, Inc.
- **Introduction to Project Management** - Saylor University I 2025
- **TESDA NCIII** - Java Programming
- **Data Analytics Essentials** - Cisco I 2025
- **Foundation of Cybersecurity** - Coursera I 2025
- **Introduction to Data Science** - Cisco I 2025

LEADERSHIP & INVOLVEMENT

- SIT Academic Coordinator I 2025 - 2026; 2026 - Present
- CES Director, Miss DWCC Organization I 2026 - Present
- Program Committee Member, 7th MIMAROPA IT Congress I 2025
